GRACE LUTHERAN SCHOOL

Grace Lutheran School (GLS) is a member of the Florida-Georgia District of the Lutheran Church, Missouri Synod. GLS was established in 1951 and exists as a specialized ministry of Grace Lutheran Church. The Unique purpose of GLS is to provide an excellent educational program in a Christ-centered environment where children may grow spiritually as they develop their God given talents and skills.

MISSION STATEMENT

The mission of GLS is to share God's Word according to Scripture and increase each child's knowledge of God as the Creator of all things with the certainty of His personal love for everyone through His redemptive gift of His Son, our Lord and Savior, Jesus Christ

ADMINISTRATION AND FACULTY

GLS is owned and operated by Grace Lutheran Church. The Voters' Assembly of GLC is the final authority of control of GLS. The Voters' Assembly delegates responsibility for the operation of GLS to the Board of Education to carry out the purpose of our school.

The Voters' Assembly also employs a school Director who is responsible for administering the approved policies and required regulations of our school. The school Director makes recommendations for changes in policy, curriculum and facilities based on professional and personal knowledge and input provided by the faculty.

The School Director is the primary contact person for the facility, parents, and public in all areas of school operation.

OBJECTIVES

1. Guide children to develop a deeper understanding of Jesus as their best friend, Lord and Savior and encourage them to desire and establish a trusting and loving relationship with Him.
2. Establish a positive bond between parents, child and teacher for the exchange of information beneficial for the success and well-being of the child, parent and teacher.
3. Encourage children to further develop their social skills and practice wholesome interaction with peers.
4. Assist children in development of a positive attitude and self-esteem.
5. Provide interesting and stimulating learning experiences to increase the skill, talents, abilities and knowledge of each child and promote understanding that learning is a natural, exciting and continuous process.
6. Guide children to the mastery of academic excellence to enable their meaningful productivity in the church and society.
7. Assist children to begin to understand their responsibility to family, classmates, neighbors and all of God's creation
8. Provide children opportunities to begin development of independent thinking.

Consistent with Christian principles, Grace Lutheran School does not discriminate in regard to religion, sex, or national origin in our admission policies.

ENTRANCE REQUIREMENTS – FOR THE EARLY LEARNING CENTER (ELC)

Children entering our Toddler program must be 2 years old.

ENTRANCE REQUIREMENTS – PRESCHOOL 3 & 4 YEAR OLDS

Children entering our ELC 3 year old program must be **three years old**. Children entering our VPK program must be four years of age on or before September 1 of their anticipated entrance year.

All children entering our ELC program (3 years and VPK) must be fully toilet trained and able to completely manage all personal needs when utilizing the restroom. If at any time a child exhibits excessive difficulty in the proper use of the restroom, the parents will be notified and requested to confer with their child's teacher to exchange information and plan together a solution to the problem. If the problem is not resolved, the parents will be requested to remove their child from our program. The use of pull-ups or similar type of underwear is prohibited.

ENTRANCE REQUIREMENTS – KINDERGARTEN - 8TH GRADE

Children entering our Kindergarten must be five years old on or before September 1 of the anticipated entrance year. This same rule applies each grade/year thereafter. Special situations concerning transfers from other states that have a different policy will be reviewed on a case-by-case basis. All new applicants are dependent upon review and interview by the prospective teachers and administration, consideration of available school records, and/or a screening of academic achievement.

There may be circumstances where GLS does not have the adequate resources to meet applicants with special needs. Each applicant's admission will be reviewed on a case by case basis.

ORIENTATION

The first few weeks of school may prove to be a difficult time of adjustment for parents and their child. Feelings of apprehension and anxiety may be lessened if your child attends “Meet-the-Teacher-Day” with his/her parents. Visiting with the teacher and viewing the classroom together is exciting and an important step in the formation of a beneficial partnership for your child, family, and teacher.

We understand that some children separate from parents more readily than others, however, all children appear to need their own time to adapt to new surroundings and experiences. It is for this reason we request parents not to linger during the first days of school to allow your child and his/her classmates their personal time for adapting. We invite your phone calls for your time of adaptation and reassurance during this period of transition.

PRESCHOOL (2 YEAR OLDS TO 3 YEAR OLDS, 3 YEAR OLDS, AND 4 YEAR OLDS) ARRIVAL/DEPARTURE

Classroom doors will open at 7:45 am for morning drop off. School begins at 8:00 a.m. Timely arrival is important and beneficial to your child and others. Our staff carefully schedules organized activities and instruction to build one upon another to provide the best academic experience for each child. Late arrivals are disruptive to classmates and teachers. Late arrivals miss the continuity of learning opportunities and the special comradeship that develops as children and teacher team to learn and socialize throughout the entire day.

Children enrolled in our half day preschool (VPK 4 year olds) program are dismissed at 11:00 a.m. Children enrolled in our full-day preschool program (3 year olds) and our VPK Wrap program are dismissed at 3:00 p.m. Please be safe and exit your vehicle to escort your child to the entrance of the parish hall during arrival and pick up your child from their class room for departure. Ensure all adults picking up your child are aware of this procedure and that they must present a valid identification to all our staff when substituting for you. Your authorization for other adults to pick-up your child must be documented on your child’s registration form.

It is the parents’ responsibility to ensure their child is picked up promptly at the scheduled dismissal time. Those children not picked up from their classroom by their dismissal will be placed in our after school daycare program and the parent account charged a minimum of \$20.00.

KINDERGARTEN & ELEMENTARY ARRIVAL/DEPARTURE

School begins at 8:00 a.m. Timely arrival is important and beneficial to your child and others. Our staff carefully schedules organized activities and instruction to build one upon another to provide the best academic experience for each child. Late arrivals are disruptive to classmates and teachers. Late arrivals miss the continuity of learning

opportunities and the special comradeship that develops as children and teacher team to learn and socialize throughout the entire day.

Students in our K-8th grade classes will be considered tardy after 8:15 am. Students are dismissed at 3:00 p.m. Ensure all adults picking up your child are aware they must present valid identification to our staff when substituting for you and your authorization is documented on your child's registration form.

It is the parents' responsibility to ensure their child is picked up promptly at the scheduled dismissal time. Those children not picked up from their classrooms by 3:00 will be placed in our after school daycare program and the parent account charged a minimum of \$20.00.

ATTENDANCE POLICIES – KINDERGARTEN/ELEMENTARY

Similar to state law, all kindergarten and elementary children are held to a regular and punctual attendance. Parents are asked to bring their child to school on time to help him/her to begin the development of punctuality and promptness to last a lifetime. As a courtesy and safety measure, parents of all students are required to call the school office by 9:00 a.m. when their child is absent from school. Immediately following the absence and upon return to school, the child must present the teacher with a dated, written excuse, signed by the parent/guardian.

Excessive absences and repeated tardiness, without good cause, is unacceptable. Consistent tardiness and absences without good cause will require a meeting with parent, child, teacher and school Director to determine academic eligibility.

ELEMENTARY/MIDDLE SCHOOL GRADING SCALE

100 – 90	A – Outstanding
89 – 80	B – Above Average
79 – 70	C – Average
69 – 60	D – Below Average
59 – 0	F – Failing

Parent /Teacher conferences are held for an exchange of ideas between teacher and parents regarding the methods and procedures to aid the progress and growth of the child. Parents are urged to consult with their child's teacher whenever they are concerned regarding the progress of their child. They are also encouraged to meet with the teacher to extend concerns, praise or offer suggestions. The child's teacher may also send home supplementary reports or request additional Parent/Teacher conferences if necessary.

Progress reports are issued as necessary. Report cards are issued every quarter.

TUITION AND DAYCARE PAYMENT

Parents of children enrolled at Grace Lutheran School are provided with a tuition contract at the time of registration. Parents of our school are subject to the policies and fees as stated in the tuition contract. Parents with children registered in our afterschool care program are subject to the policies and fees as stated in their tuition contract.

1. Tuition and aftercare is due and payable by the 1st business day of each month. On the 5th day of the month a late fee of \$35.00 will be charged. Any returned payments will be assessed a \$35.00 administration fee in addition to a late charge of \$35.00.
2. If your account has not been paid in full by the 15th of the month, your child may not attend school until the account has been brought current. After the 30th of the month the enrollment may be forfeited.
3. Tuition is due regardless of the number of days the child has been in attendance. Tuition is assessed until a written notification (30 days prior) of termination of enrollment is received . A disciplinary suspension or expulsion will not affect the parent's obligation of payment of tuition.
4. The report card and record transcripts will not be issued to any child whose parents' accounts are delinquent until all accounts are paid in full.
5. Registration, Building fees, and Book fees (K – 8th grade) are non-refundable.
6. Parents experiencing a temporary financial problem are encouraged to meet with the school Director to formulate a payment plan.

ELECTRONIC DEVICES, TOYS AND CELL PHONES

School is a child's full-time "job" and requires a "full-time" commitment to learning. It is requested that toys and objects for play from home remain at home. On show-and-tell days, or other times at the discretion of the teacher, the child may be permitted to bring a "toy" to school. Toys brought in on all other days will be removed by the child's teacher.

Electronic Devices such as cell phones, musical listening devices, games, computers, etc. are strictly prohibited for use during school hours unless the teacher assigns its use for educational purposes. If your child brings an electronic device to school, it will be collected by the teacher during the day. If there is an emergency, or a parent needs to contact his/her child, all communication should go through the school office.

AFTER SCHOOL DAY CARE (ASDC)

Our After-School-Day-Care Program is available for children of GLS to provide quality care by trained and certified adults. Please refer to our tuition and fee's schedule for rates.

ASDC begins at 2:30 p.m. and closes promptly at 5:30 p.m. Late fee of \$15.00 will be assessed if a child remains in after care from 5:30-5:35 plus \$1.00 per minute thereafter and will be charged to parents' accounts if their child remains in our care from 5:35 – 5:45 p.m. If the child continues in our care from 5:46 – 6:00 p.m., an additional \$50.00 fee will be assessed. If a child remains in our ASDC beyond 6:00 p.m., the proper authorities will

be notified and the child may be handed over for protective custody and additional fees will apply. Chronically late pick-up may result in dismissal from this program.

On designated early dismissal days and those days when school is not in session, **SPECIAL DAY CARE** may be offered. Please refer to your school calendar or special day care sign up forms to ensure the availability of this service. Children must be registered and all fees paid in advance for day care services. All day care service is limited to a specific number of children, availability of space and staff as mandated by State of Florida Statutes.

WEATHER RELATED SCHOOL CLOSINGS

In the event of a hurricane or severe tropical storm warning for our area, GLS will follow the plan of the Monroe County Public School System regarding the closing of school. Please be alert for our communication with you.

HEALTH POLICIES

When your child exhibits symptoms of illness during the day, he/she will be isolated and you will be called to come as quickly as possible. **Your child must be picked up within one hour.** If you are unable to come, please call a person on your child’s authorized pick-up list to come in your place. Please call the school and advise us as to the person coming to pick up your child. It is at our discretion on whether your child is too ill to remain at school. If we feel that your child is still exhibiting symptoms, a doctor’s note does not guarantee re-admittance.

Below is a list of common illnesses among children and our policies regarding these symptoms.

Fever	If the child has a fever for any reason s/he cannot attend school. The child should be fever free for 24 hours without medication before returning to school. If the child develops a fever of 100 or higher during the school day, parents will be contacted and the child will need to be picked up immediately. If the child is sent home with fever during the school day they cannot attend school the following day.
Pinkeye	The child should be on medication for 48 hours and be clearly responding to the treatment before returning to school.
Strep Throat	The child should return only after 36 hours on medication. The child must be showing signs of improvement and be willing to eat and drink.
Diarrhea and/or vomiting	The child should not come to school until he/she is deemed non-contagious by a physician or has had no diarrhea or vomiting for 24 hours.
Chicken Pox	The child should not return to school until all pox are scabbed over.
Runny noses/coughs	If your child’s runny nose will require frequent attention from the teacher or if the child is irritable or running a fever or if mucus is any color other than clear he/she may not be in school.
Head Lice	If treatment has occurred and has been verified, which includes, presenting the product box, box top, empty bottle or signed statement plus receipt the child may return to school.

By keeping children home when they are ill, the spread of illness among our school community is greatly reduced. This means fewer illnesses for children, teachers, parents,

and other family members, fewer visits to the doctor, and fewer days lost from work for parents.

When an enrolled child or employee of Grace Lutheran School has a reportable communicable disease, it is our legal responsibility to notify the local Board of Health or Department of Public Health. We take care to notify families via email and/or printed letter about exposure so children can receive preventative treatments

MEDICATION

It is the general policy of the school not to dispense medicine except in life-threatening situations. In these circumstances the following guidelines must be met:

Prescription Drugs:

1. Before any prescription medicine is dispensed, a written and signed authorization that includes date, name of child, name of medicine, prescription number if any, dosage, current date, and time of day medication is given must be provided.
2. Medicine must be in its original container labeled with the child's name.
3. Parents must provide and label any necessary equipment for the dispensing of the medicine.
4. Medications will not be sent to school stored in lunch boxes, back pack, etc. All medications must be received by your child's teacher and will be kept in a locked cabinet

Non-prescription medications

1. Parents/guardians are required to administer over-the-counter medication to the child

SNACKS AND LUNCHESES

GLS does not provide snacks or lunches. Children will be required to bring snacks and lunches from home or as requested by the classroom teacher. Please provide an additional snack if your child is in our Aftercare Program. If special lunch days are offered, your teacher will notify you.

DRESS CODE

ELC

- Please send your child in comfortable, washable clothing. Clothing with complicated straps, buttons or zippers should be avoided. If our child is wearing a one-piece outfit, they must be able to get in and out of the outfit by themselves. Complicated clothing can cause frustration for your child and keep them from being able to toilet independently.
- Children's attire may be in the style of the day, but clothing should be modest. We ask that little girls wear small shorts or bloomers under their dresses and skirts. We also ask that you refrain from dressing your child in any clothing with political logos, pictures or phrases that are offensive the Christian faith, graphics with violence,

profanity, discriminatory messages, suggestive phrases, advertisements, phrases or symbols of alcohol or tobacco.

- We ask that you child wear comfortable, **closed toe & closed back shoes, preferably sneakers or tennis shoes and socks**, to school each day. COWBOY BOOTS, CLOG-LIKE CROCS and FLIP-FLOPS ARE NOT ALLOWED. Your child will be active and appropriate shoes are an important part of their safety.
- Each child will need a complete change of clothes (including socks and shoes), in case of an accident and are to be contained in a zip-lock bag with their name on the bag. These items should remain in the child's classroom in the event a change of clothes becomes necessary.

PreK, Elementary and Middle School

Grace Lutheran School has adopted a policy of dressing for success. We believe school is where students prepare for success in, and the challenges of, the real world. Dress is a part of the balance of success and challenge.

Please use the following as a guideline.

Shirts

- Collared uniform shirts with GLS logo purchased from Goal Line (collared shirts) and Ramona's (t-shirts).
- Other GLS t-shirts that may be available for purchase.
- You may have any solid colored sweater or jacket embroidered with GLS logo

Slacks, Capris, Shorts, Skorts, Skirts, Scooters and Jumpers

- Solid color khaki, navy and black
- Worn at the natural waistline
- Skirts/skorts/jumpers/shorts worn at an appropriate length (not more than 4" above the knee)
- Athletic, spandex shorts or tights must be worn under skirts and jumpers, but may not be worn alone.

Shoes

- Shoes with "heels" or platform shoes may not be worn. Sandals should have a strap around back for safety. Closed toe shoes are preferred.

Additional notes

- Caps, hats and sunglasses will not be worn inside the school building.

CHAPEL AND CHURCH

Chapel is an integral part of faith life education at Grace Lutheran School. Chapel services are held each Wednesday at 8:30 a.m. at Grace Lutheran Church. Parents and visitors have a standing invitation to attend anytime.

GLC encourages all children and parents to attend the divine services of their church. We invite families without a church home to worship with us at Grace Lutheran Church each Sunday at 9:00 a.m.

VOLUNTEERS

GLS values the close interaction between parents, children, and staff. We encourage all parents to become involved in our school. Volunteers promote success and strengthen bonds between our school, children, and families. Volunteers will be required to adhere to our child safety policy as described in the Grace Lutheran Church and School Personnel Manual.

TEAM GRACE

Team Grace serves as an auxiliary of GLS and is coordinated with the school by our school Director. Team Grace members are parents, guardians and GLS staff. The purpose of Team Grace is to promote and support Christian education by convening meetings of information and interest to parents. Team Grace may undertake activities that help provide funds for school equipment and improvements. It may assist the school with its plans and participation during special events, activities, and projects.

Team Grace promotes understanding and communication among parents and our school. TG and our school Director plan the years' program and meetings. General meetings may feature speakers, provide committee reports; receive input or other appropriate business. Committees are appointed as needed. Decisions of TG may be subject to the review and action of the Board of Directors of Grace Lutheran Church and School.

Any parent desiring to raise a concern or issue relating to a teacher, assistant teacher, or classroom is advised to first speak with the child's teacher and subsequently with the school Director if the concern is not resolved. Team Grace is not a forum to hear and manage complaints.

SECURITY

The administration, faculty, and parents of GLS will work together to ensure our school remains a safe and secure place. Teachers and assistant teachers are responsible for the care of Grace Lutheran School students and are required to have those children in their physical presence and eye sight at all times. The pedestrian gates on Staples Avenue and 10th Street and breezeway gates will remain closed at all times. No trespassing/loitering signs are posted throughout our campus. All personnel are trained to immediately report to the school Director unknown or suspicious acting individuals or unusual occurrences. Parents are requested to also follow this procedure.

DISCIPLINE POLICY

The purpose of this information is to acquaint parents with the disciplinary policy of Grace Lutheran School. Please read the following statements carefully.

Physically harmful, destructive and disruptive behavior and inappropriate language will not be tolerated in our school. Parents of a child exhibiting any of these behaviors must meet to confer with their child's teacher to formulate an end to the unacceptable behavior. The school Director has the authority, however, to immediately suspend any child whose behavior is unhealthy and/or harmful to his/her self, classmates, school staff, facility and/or equipment.

Verbal abuse or corporal punishment is not administered or tolerated on the campus of Grace Lutheran School.

The following statements are taken from the State of Florida Department of Children and Families Child Day Care Standards, which GLS has adopted as policy:

402.305-12 CHILD DISCIPLINE –

- A. Minimum standards for child discipline practices shall ensure age-appropriate, constructive disciplinary practices are used for children in care.
1. Children shall not be subjected to discipline which is severe, humiliating or frightening.
 2. Discipline shall not be associated with food, rest, or toileting.
 3. Spanking or any other form of physical punishment is prohibited

Additional policy statements of Grace Lutheran School:

- A. Any parent on the premises shall abide by the GLS discipline policy with respect to their own child and others.
- B. Any child that persists in creating a problem is removed from the problem area. This usually involves spending a small amount of time playing quietly by him or herself while observing his or her friends sharing and having fun.
- C. If actions such as extreme verbal and physical disruption of the class, habitual biting, aggression towards self, other students or staff occur; the student is subject to removal from the classroom and possible suspension or expulsion. In the case of any of these problems, the parents of the child will be requested to attend a conference with the Teacher and/or the Director.

Children need to be guided in their actions towards others so that they will develop knowledge of communicating in a social setting. It is our hope that the children enrolled in our school will feel secure and loved during the time they spend with us. Our Christian employees strive to create an atmosphere of love, fellowship and sharing that can have a lasting effect on children during these early years of training. We encourage you to come and discuss with us any questions you may have concerning your child.

Our staff is expected to maintain a respectful and professional relationship with parents at all times. We also expect the parents/guardians of our students to treat staff, children and other parents in the same manner. Mistreatment of any person on school grounds can be cause for dismissal from our program.
